In the reference 1<sup>st</sup> read above, charge has been framed against Sri Y. Sharief, Tap Inspector, Municipal Corporation, Vijayawada by the Commissioner, Municipal Corporation, Vijayawada that Sri Y. Sharief, Tap Inspector has failed to discharge his legitimate duties which lead to out break of diarrhea due to contamination of water and death of one girl on 18.6.2003 in Durgapuram, Vijayawada under Municipal Corporation of Vijayawada.

2. In the reference 2<sup>nd</sup> read above, Sri Y. Sharief, Tap Inspector, Municipal Corporation, Vijayawada has submitted his explanation that he has not failed in discharging his legitimate duties. The out break of diarrhea has happened due to the use of motors and hand bores directly connected to the old pipelines and drawal of the water from the old pipelines during the non-supply hours and the Joint Action Committee of Municipal Employees have gone strike from 13.6.2003 to 18.6.2003.

3. In the reference 3<sup>rd</sup> read above, Sri M.A.S.P. Dora, Chief Engineer was appointed as Enquiry Officer to inquire into the charges framed against the persons responsible for the out break of diarrhea in Durgapuram Municipal Corporation Vijayawada area.

4. In the reference 4<sup>th</sup> read above the Enquiry Officer has submitted his enquiry report. In his findings, the Enquiry Officer has reported that the out break of diarrhea might be due to many causes. But due to contamination of water. As a matter of fact the diarrhea cases are reported from all corners of the town, it cannot be attributed to negligence of three officers incharge of a small pocket. Before the onset of epidemic the situation is quite normal. Suddenly from 18.6.2003, the case started coming from all corners of the town. The out break is coincided with strike by Vijayawada Municipal Corporation Employees particularly the sanitation staff. Due to strike there will not be regular clearance of garbage, drains etc. which may result in sanitary conditions which is more harmful and also may lead to out break of epidemic like the present case.

5. After careful examination of the matter keeping in view of the explanation of the individuals and also report of the Enquiry Officer, it is felt that the reasons put forth by the Enquiry Officer are beyond the control of Charged Officers.

Therefore, it is decided to drop further action against Sri Ch. Balaji, Municipal Assistant Engineer, Vijayawada Municipal Corporation, Vijayawada.

6. Accordingly Government hereby drop further action against Sri Y. Sharief, Tap Inspector, Municipal Corporation, Vijayawada

7. The Commissioner, Municipal Corporation, Vijayawada shall take action accordingly.
